

Why a Christian school for your child?

Our Pre-Kindergarten program is an outstanding opportunity for children to develop socially and emotionally. The Bible says, "Train up a child in the way he should go, and when he is old, he will not turn from it." A Christian preschool can be an educational, social, as well as, spiritual benefit to the child.

Objectives:

- To share the love of Jesus
- To encourage social and emotional development
- To introduce readiness skills in a motivating and enjoyable manner
- To provide opportunities for intellectual and spiritual growth

These objectives will be accomplished through a variety of activities including Bible lessons, songs, games, stories, arts, playtime, crafts, field trips, social experiences, science experiments, and more.

Program Highlights

The Trinity Pre-Kindergarten program promotes socialization and learning in a Christ centered educational setting. Bible stories, songs, gym activities, readiness skills, games, and art experiences provide a unique environment for children to learn and grow.

Trinity's small class size provides these early learners with many wonderful opportunities for participation and individual attention.

Field Trips

Field trips are an enjoyable part of learning. The parents may be asked to help chaperone and/or provide transportation for our field trips.

Non-Discrimination

In our Pre-Kindergarten, no child will be denied entrance on the basis of race, religion, ethnic background, or nationality.

The cost for either the 3 year old or 4 year old Pre-Kindergarten program is \$650 per year. There is also a \$20 non-refundable registration fee. Optional 4 year old Friday program is \$325.
